

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

RIGOBERTO RODRIGUEZ MACEDO,

Petitioner,

CASE NO. 2:25-cv-00166-JHC-BAT

V.

## ORDER OF DISMISSAL

SCOTT SPEER ,

## Respondent.

Having reviewed, *de novo*, the Report and Recommendation (R&R), Dkt. # 4,

Petitioner's objections, Dkt. # 5, responses, and the record, the Court finds and ORDERS:

(1) The Court agrees with the R&R that the petition is time-barred and that there is no  
for equitable tolling. Thus, the Court ADOPTS the R&R.

(2) Petitioner, pro se, makes 12 objections to the R&R in what appears to be a form, fill-in-the-blank document. Each objection appears patently meritless. For example, Objection I claims “a violation of 28 U.S.C. §[ ]1915 based on the preliminary screening voidness of Article III authorization.” Section 1915 concerns “[p]roceedings in forma pauperis.” The objection does not make clear how Petitioner believes the statute has been violated.

(3) The case is dismissed with prejudice; all pending motions are stricken as moot; and leave to proceed in forma pauperis and issuance of a certificate of appealability are denied.

1 (4) The Clerk shall provide Petitioner a copy of this order.
